SUMMER SCHOOL OF POLISH LANGUAGE
AT WARSAW UNIVERSITY OF TECHNOLOGY

We are glad inform you that the Polish Language Center at Warsaw University of Technology opens this year, the long-awaited summer Polish language course for foreigners - so called Summer School of Polish Language.

Polish Language Center of Warsaw University of Technology is a didactic division of Foreign Language Center, which is one of the biggest and oldest academic language centers in Poland. Its history dates back to 1952. Each year, more than 20,000 students participate in courses provided by the Center. Besides the language courses for the students of Warsaw University of Technology, the Center offers a diverse range of commercial language courses for a variety of customers.

Polish Language Center provides courses of Polish for foreigners at all language skill levels. A rich offer of language classes is accompanied by classes and activities that bring students closer to contemporary Poland and Poles. Apart from a rich academic program the Center organizes trips to the most interesting places in Warsaw and Poland. Multicultural and multilingual atmosphere in the Center and on its courses guarantees unforgettable experiences and memories that won’t fade away.

WHAT IS SUMMER SCHOOL OF POLISH LANGUAGE?

Summer School of Polish Language is an intensive 4 week long course of Polish Language organized by our Center for all foreigners who want to devote some time during their summer holiday to learning Polish language and discovering the educational offer of Warsaw University of Technology, and for those who by visiting Warsaw want to learn Polish history and meet Poles.

Summer School of Polish Language will take place in lecture halls of Warsaw University of Technology which are located in the center of Warsaw.
In addition to an intensive Polish language course which includes classes in technical Polish such as mathematics, physics and chemistry, the School offers the opportunity to get acquainted with the faculties of the Warsaw University of Technology and with achievements of the students of WUT during the workshops conducted by the Scientific Circles of WUT. Also during the School participants will have the opportunity to listen to lectures on technical matters conducted by the teaching staff of our University.

Finally, for those willing, we also offer a rich program of Warsaw sightseeing tours giving the opportunity to learn about Polish history as well as the trip to Krakow, former Polish capital city.

OUR CITY - WARSAW

Warsaw, the Polish capital from the sixteenth century, is the largest and fastest growing city in Poland. It’s close to two million city combining history and modernity, whose landscape has been composed of rebuilt from the rubble after World War II, the Old Town, listed as a UNESCO World Heritage Site, Krakowskie Przedmieście and Nowy Świat streets - a representative part of Warsaw, today visited by crowds of international tourists.

And yet Warsaw is a city of contrasts, where next to the reconstructed after the World War II historic buildings, modern office buildings arose in recent years.

In the city, there are also traces of a bygone era. The center of the city is dominated by the Palace of Culture and Science - example of architecture era of real socialism, which today has become one of the Warsaw icons. The hubub of the busy city of peace and greenery soothes the beautiful city parks, for which, the Łazienki Królewskie park takes leading role.

Today, Warsaw is a bustling metropolis, a city open and friendly that provides opportunities for better education and career prospects.

During the academic year Warsaw comes into life thanks to the large number of students. Warsaw University of Technology is just one of more than 70 universities (public and private) located in Warsaw.

Every year, especially in summer, Warsaw is visited by thousands of tourists from all over the world.

If you have not been to Warsaw yet, our course is a unique opportunity to visit and fall in love with this amazing city.

MEELS

There is a student’s canteen open for lunch in the building where Summer School classes are held. The cost of lunch is around 20 PLN. One can find plenty of smaller or bigger restaurants and snack bars in the close vicinity of the University to have lunch at or buy a snack. Also, meals can be prepared in the dormitories’ kitchens.

IMPORTANT INFORMATION

1. The specified start date of the School (August 4, 2014) is the date of commencement of the classes (date of opening ceremony and placement test in Polish etc.), therefore, students are required to come to Warsaw one day before the commencement of the course the latest - no later than August 3rd.
2. Last day of the Summer School (29 August 2014) indicates that this day classes are still held. In the afternoon the closing celebration is planned during which the certificates will be handed. Therefore, the departure must be planned for Saturday the earliest - August 30th.
3. Due to the Polish bank holiday on August 15, 2014, there will no classes held on that day.
4. All lectures and workshops will be conducted in English so the knowledge of English language at the upper-intermediate level is essential.
5. All participants must have appropriate travel and health insurance when they come to Poland.
6. In case of early departure the course fee will not be refunded.
7. The Center has no grounds to award scholarships.
ACADEMIC PROGRAM

1. According to the Polish Educational System academic hour lasts 45 minutes.
2. Final exams in Polish and all the other tests are carried out within the specified number of hours on the course.
3. The classes of Polish are held in the morning between 9 and 12:30
4. Additional classes are held in the afternoon after the lunch break between 1.30 and 5 pm
5. The Center reserves the right to make changes the agenda of the course.

OUR TEACHERS

We have tried to gather the best experts in their fields to become teachers at our Summer School of Polish language. Most teachers and lecturers conducting classes during the Summer school belong to the teaching staff of Warsaw University of Technology.

Polish language instructors have extensive experience in teaching Polish as a foreign language to multinational groups of foreigners at and outside of the University. In addition to excellent methodological skills our teachers are well prepared to teach in a multicultural and multinational groups. They, regularly take part not only in methodological trainings, but also in those dedicated to working with multiple cultures.

Also, we invited the outstanding students, members of the Scientific Circles at Warsaw University of Technology to conduct workshops at which their outstanding achievements will be presented.

Finally our University professors will give lectures on selected technical matters such as architecture, aviation, mechatronics etc.

FINAL GRADES

The final grade consists of the following partial evaluation:

- Attendance and participation in class – 20%
- Midterm test – 30%
- Final test - 50%

The student, who will leave more than 15% of the classes without an excuse will not be admitted to the final exam.
STATE CERTIFICATE EXAMINATION IN POLISH AS A FOREIGN LANGUAGE

Ministry of Science and Higher Education launched in 2004 for the first time in Poland and abroad state certificate examination in Polish as a foreign language. As a result, having passed such examinations, learners of Polish as a foreign language can obtain a certificate indicating the level of their proficiency in Polish. Since 2004, B1, B2 and C2 examinations have been organized at least 3 times a year (in spring, summer and autumn). The examinations are staged by the State Commission for the Certification of Proficiency in Polish as a Foreign Language.
